

All BLE-T Division 301 members have been assigned an email address. In order for Division 301 to keep their members update on any “important” news the emails will allow us to contact each of you that elect to receive email promptly.

The mobilization contact list by email will in no way replace the phone, but will be the most efficient way to expedite information. Your assigned email can be used for your personal email, but the division would prefer it to be used for union activities.

Access to your email is simple. Your assigned email will be your initial and last name @ blet301.com. Example: gamyers@blet301.com.

In order to obtain the password you will have to contact Secretary Treasurer Myers through his email address stblet301@gmail.com for security reasons.

Once you have your email address and password, you can use any web browser to access the site. In the address bar of your web browser type in www.1and1.com.

Once you have pulled up the 1and 1 web site, you will look to the right hand corner of the web page and select [Webmail Login](#). Click on this link and it will re-direct you to the next screen Webmail Login. There you will enter your email address and password that has been assigned to you. When you get to the Webmail Login you can select that as one of your favorites to make login easier.

Please take advantage of this. The monthly minutes have been emailed out through this address since the beginning of 2011. There is a convenient calendar and other small features you may use. The Webmail is free and I have set up virus and spam controls for your protection. If you have any questions you know how to reach me. Thank you.
